Mr. P. C. Jones, Irea recently return from San Francisco, will lead the gospel temperance meeting at the Bethel lecture roos this evening, and will, doubtless, have some thing fresh to say on an always timely topic.

Tokin last Tuesday. Six of them are bonn for Anapolis, where they expect to remo seven years pursuing naval studies - navigation gunnery and the like. Others among the umber will go to England

Mr. P. C. Jones, Jr., will have one of it most comfortable-looking homes in Honolal when his new residence on Nananu street makes the resistence of Captain Mist, shall be completed-which ought not to take longer

In May of fast year, Mr. David Graham Ader wrote and set to music some verses, or titled the Kearsarge and Alabama, a copy which he has forwarded to Music-Doct Berger. The words have a lyric quality wort the reading the first stanza being as follows

Our dag awang bold from the oil Kenturge As we rede at the mouth of the Scheidt in White out at eas, so the ocean's marge flash Shadeay sail and shadowy barge Randed the view as a ball.

Mr. J. R. Morrill, port surveyor, witness an interesting occurrence last Tuesday. Who Mr. Pfluger's barge came alongside the whar gest, who had not learned English evident n order to obtain desired information th wrote their questions in Chivese characters Chinese who happened to be on the whaand were answered in like manner. It wa very clear that the Japanese were able to writ a language they could not speak.

Mr. R. W. Laine has loaned this office copy of "Echoes from Hospital and White House," a record of the war time experiences a cat of Mrs. Rebecca R. Pomroy, who was one the most devoted of the nurses in attendan upon the Federal army. On April 12th, will be a printed supplement largely devoted G. A. R. and kindred topics. At least, o original paper has been promised, and one more extracts from Miss Annu L. Boyden book about Mrs. Pomtov will be given.

Which Is Right?-the opinions of two the clearest, if not the most convincing the writer's knowledge, there are well-to-dfolk in Honoiniu who would like to see wealth again as usual. commended. There are others who think working people are pretty well off the world !over. Those who think so are invited to read Mr. George.

Mugga d' Dhu lives in Oakland, California friends were married not many months since, pan over and instantly killed. and rejoice in their first baby. It was photo graphed last month, and Mugga d'Dhu's mamma received one of the pictures. The as definite as those of Californians in the mas She had heard, evidently, that the islands had dark skine; and, when her mother shows the picture to her she exclaimed, in a voice of intense disappointment : "I thought it would he a brown baby ?"

The Louisville Courier-Journal has marized the many shortcomings of the Anglican-American sparrow as follows:

Steals grain,
East few moths,
Makes too much noise,
Picks off blosome.
East lots of trait,
Driven off other tirtle,
Dosigners buildings,
Can't sing any better than a lower
Westerney.

Whereupon the Washington Republic remarks young gentleman who called the writer's attenon to the paragraph says the myoch and the ported, says the enterprising young gentle man doesn't know what he is talking about,

Cenham Adee-whose letters about these slands have been printed in the Bulletin-will this city giving full permission to reprint the weeks through ill health, reached his sevenarticles here in pamphlet form. The Republic.

Hon. Simon K. Kani died suddenly on the martyred president's features, and offers to xill tests birthday on Thursday last. He is rein sometiment of letters, speaks of letters, speaks of the writer as "the Republic's distinguished ing very delightfully.

They spent the even local source among the sense to jump at the chance.

Agents between the shelving. On these conders and side boards will be displayed samples of a long list of goods of which the following cutt mention indicates only a few major lines. The firm's specialty is American staples, representations. Dearborn side boards will be displayed samples of a long | | OT AT KAPIOLANI PARK. firm's specialty is American staples, representing the London, Wamasutra, Amoskengue and many other of the best United States mills. American hats, boots and shoes for both men and women are also imported. English, French and German stock consists of Fancy as a subject to Kapasha Park and containing as area of a principle of the following stock property of the subject to the subject t

hoisery, notions and trimmings. The firm consists of five brothers, two re siding in Honolulu, two in San Francisco and one in New York. The firm has existed since Esq 1862, and the Honolylan branch was estable lished in 1867.

There is some prospect of a concert troupe coming here in July. Whether it comes or not, will depend on the amount of subscriptions that can be raised here. Manager Allison, of Sydney, has engaged the celebrated violinist Remenyi, who, with five other people, will probably leave San Francisco late in June. Mr. Allison told Judge Bickerton and other citizens of Honolulu that, provided a reasonable subscription would be raised, the troupe would be allowed to come on the
